Take the - Are You an Antivaxxer? - Test

1) Life scientists develop vaccines because they have empathy for those who suffer from disease. On each photo of the child with smallpox (which vaccines eradicated in 1975), check rather you choose the vaccine or for a return of the disease with its suffering and death.

Vaccinate or Bring Back Diphtheria ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Measles ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Meningitis ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Mumps ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Polio ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Rotavirus ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Rubella ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Tetanus ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Typhoid ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Pneumonia ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Whooping Cough ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Chickenpox ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back HPV ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Flu ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Hib influenza ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Hepatitis A ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Hepatitis B ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Shingles ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Yellow Fever ☐

Child w/ Smallpox (who died)

Vaccinate or Bring Back Covid ☐

Child w/ Smallpox (who died)

2) Write a paragraph explaining why you think you are a good person, even though you agree if tagged with a vaccine preventable disease, to tag other people with that disease, perhaps sickening or killing them.
